why choose a community bank like the middlefield banking company?

A banking relationship is important and no one takes it lightly. So what makes **mb** different and why should you change banks?

Service and security are what we offer, and our key principles of operation say a lot about how we do it. We value customers above all, and believe in honoring them with respect, dignity and concern.

Honesty and efficiency are the hallmarks of how we work with customers. We employ ethical principles, keep our promises and try to always do the right thing. We train our staff to be proactive, always working to meet your customer expectation.

If these things are as important to you as they are to us, please stay with the bank for you! Our 100+ years of experience and steadfast customer loyalty make us think we're the best choice for your business and hope to earn your loyalty, too.

We have designed this account for customers age 50 and over. Other accounts are available tailored to a wide variety of customer needs. Please ask our Customer Service Representatives what might be best for you.
